

# Connecting & Gaining Knowledge Through the NCDB Website

Join NCDB staff and take a tour of Nationaldb.org

Family Engagement Initiative Lead Megan Cote will partner with Project Specialist Elizabeth Bell to offer a one-hour FREE web-based drop in training for families of children who experience deaf-blindness on using the NCDB website.

During the training, you will learn:

- How to create a profile on the NCDB site
- How to join groups
- What the site can offer you in terms of resources, training and connection

At the conclusion, there will be time for questions and answers.

**NO REGISTRATION REQUIRED! CAPTIONING AVAILABLE.**
